TERMINAL DISCLAIMER UNDER 37 CFR 1.321(c)

Miami University, Oxford, Ohio, the owner of one hundred percent (100%) interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 on U.S. Patent No. 6,007,701, as shortened by any terminal disclaimer filed on same. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon grantee, its successors or assigns.
